

## **District Member Definition:**

**2 heads of household (two adults) & dependents living within the district boundaries.**

Dependents are persons un-married, under the age of 23 who reside at same address as applicant and are dependent upon applicant for financial support.

(Over 21 assumed going to school)

This does not include Grandma/Grampa, Uncle Charlie/Aunt Flo, grandkids, nieces/nephews, &/or any cousins, that are in town for a week or two, or the summer. If they are not living in the home full time and financially dependent on the adults in the home, they are not considered district members.

## **Guest punch card rule for 2022:**

**This is in the new 2022 pool application:**

I understand I will be given a one-time 10-punch guest card in 2022 with my new fob, I understand I must present this card at the time my guests are with me at the pool, if I don't have guest punch card with me, I know I will pay the full cost for my guest.

## **Guest Definition:**

Guest must attend with District Member

Anyone **not** living in the District boundaries and visiting the pool with a District Member.

Guest Fees applies to any swimmers and/or non-swimmers above the age of 2, if they do not have guest punch card for 2022 with them.
